We trust that you will find service with the Town of Clayton rewarding both personally and professionally.

102 *A Message for Our Union Members*

This Employee Handbook has been developed by the Town of Clayton to assist you in getting acquainted with your employment with the Town. A cooperative labor-management relationship not only lends to a positive work environment but also helps ensure fair treatment in the workplace.

It is important that all employees understand the personnel policies and procedures and work rules outlined in this Employee Handbook. For union members, the collective bargaining agreement governs the terms and conditions of employment. You are encouraged to obtain a copy of your collective bargaining agreement from your union representative. Anywhere that the Agreement and this Handbook conflict, the Agreement will control. However, in certain instances where the Handbook covers an issue that is not the subject of bargaining, this Handbook will control. We have made every effort to acknowledge these situations. If you have any questions, you should contact your Department Head or union representative.

We hope that your career with the Town of Clayton will be an enjoyable experience.

103 *Our Heritage*

The Town of Clayton was organized from the Towns of Orleans and Lyme by an act of State Legislature on April 27, 1833. At the suggestion of the Postmaster, Mr. Angel, a Whig himself, the name was chosen in honor of John M. Clayton, United States Senator from Delaware and a prominent Whig, a fitting political selection since most of the voters in the area were Whigs themselves.

The Village of Clayton was incorporated on April 17, 1872 by a vote of the citizens, as provided in an act passed by the State Legislature, April 20, 1870. The vote stood 140 for and 51 against the assumption of corporate honors.

The first known name given to the area around the present day Village was Weteringhera-Guenterre, and Indian term for "Fallen Fort", referring to an ancient fort on the banks of French Creek captured from the Algonquin tribe by the Iroquois. In the early 1820's the area around French Creek Bay was being settled by the French. In 1823 the Post Office and the Village was called Cornelia. In 1831 they were both changed to Clayton. By 1835 the Village consisted of 93 buildings and 426 people.

The other major settlement in the Town is the Hamlet of Depauville, originally called Cat Fish Falls. The hamlet is located in a valley along the Chaumont River. The area was being settled by 1816 utilizing the Chaumont River as its navigable waterway for transportation of timber, goods and people. Catfish Falls was an excellent source of water power to operate a Saw Mill and Grist Mill.

Due to its favorable positioning on the St. Lawrence River and an ample supply of lumber, the first major industry in Clayton was timber. Trees were lashed together to form rafts and then sent down the St. Lawrence River to Montreal and surrounding areas. There, the logs were cut into usable lumber. Depauville also had a substantial lumber industry. The local economy was dominated by this industry until the railroad made its way to the North Country in the 1870's.

Its location on the river and supply of lumber was a natural fit for the shipbuilding industry. Simon Johnston owned one of the prominent shipyards in the Village. The Town Hall is located on the site of his shipyard. Clayton is also known as the home of the St. Lawrence Skiff. These skiffs were first build as fishing guide boats starting around 1868.

The schooners financed and built here sailed the St. Lawrence and the Great Lakes in the shipping trade well into the era of steamships. They also, periodically, were overhauled, repaired, and sometimes enlarged to carry more goods to and from the ports. Tradesmen with many skills were drawn to the area to build and maintain all boats on the river.

In 1873, the railroad was brought to Clayton and with it came people seeking time away from the city life. As a result, hotels, restaurants, boat livery's, fishing guides and tourist related services began to flourish and a new industry was born, tourism. Grindstone, Picton, Bluff, Murray and other smaller islands began to become settled by local residents and tourists. Luxury hotels were built to accommodate this influx of vacationers: The Windsor, The Walton, The Riverview, The Hubbard House, The Frontenac on Round Island, The Clayton Hotel and the Herald House. The Clayton Hotel is now O'Briens and the Herald House is the TI Inn: all of the other old hotels have either burned or were torn down. The influx of people during this period brought money, built houses and created an increase in small privately owned boats. The small boat trade and repair business quickly became lucrative for many entrepreneurs. This period of growth lasted until the advent of the car as a family vehicle. It became easier to travel were ever you wanted and not just where the train would take you.

There has been a resurgence of the boat trade and repair in the last twenty years due to increases in boating as a recreation, boat owners and the population of Clayton, both residential and seasonal.

Agriculture was an important industry in the Town. The number of active farms has been steadily decreasing, a trend that is occurring all across the State and Country.

The Town has a history of mining that includes quarries on Picton and Grindstone Islands that were active in the mid 1800's. High quality granite from Grindstone and Picton Islands was widely used for paving blocks and prominent buildings such as the New York State Capitol Building. There are a number of active sand and gravel operations located on County Route 4, the Crystal Springs Road. Like any other community over the last 177 years, Clayton has undergone many social and economic changes. Today, Clayton remains as a reflection of the small shops and restaurants, recreational opportunities and marinas that existed in the early years.

200 THE CIVIL SERVICE SYSTEM

The following is intended as a guide for informational purposes. The Civil Service Law and the *Jefferson County Civil Service Rules* shall govern regarding the jurisdictional classification of positions and the appointment and promotion of personnel.

- **Exempt** – those positions, other than unskilled labor positions, for which competitive or non-competitive examinations or other qualification requirements are not practicable (Civil Service Law, Section 41);
- **Competitive** – those positions for which it is practicable to determine merit and fitness by competitive examination;
- **Non-Competitive** – those positions not in the exempt class or the labor class for which it is not practicable to determine merit and fitness by competitive examination, but rather by a review of training and experience; and,
- **Labor** – unskilled labor positions, except those positions which can be examined for competitively.

202 *Civil Service Appointments*

Competitive Class – In accordance with Civil Service Law, the following types of appointments may be made to positions in the Competitive Class:

- **Permanent** – an appointment to a vacant position in the Competitive Class from an eligible list established as a result of examination, following successful completion of a probationary term;
- **Provisional** – an appointment to a vacant position in the Competitive Class when there is not an appropriate eligible list. A provisional appointee must take an examination whenever it is scheduled. Thereafter, a permanent appointment will be made on the basis of the eligible list resulting from the examination; or

203 Examinations and Promotions

In accordance with Civil Service Law Section 61, the Town will select one of the top three eligible candidates on the list willing to fill the position.

Promotions – The Town will offer opportunities for advancement for those employees who qualify. In the event the position is in the Competitive Class, a qualified employee must normally take a promotional examination and the above “one of three” rule will apply. An employee who wants to be promoted should become knowledgeable about the employee's present position and be aware of higher level positions for which the employee may be qualified.

204 Veterans Credits

Summary – An employee who is a veteran as defined by the Civil Service Law may be eligible to apply for veterans credits on a Civil Service examination. An employee who is a veteran should contact the Jefferson County Human Resources Department for details concerning these credits.

300 EMPLOYMENT MATTERS

301 *Oath of Office*

Requirement – Each Public Officer as defined in the Public Officers Law must take the Oath of Office in accordance with Town Law Section 25 and Public Officers Law Section 10, which must be administered prior to commencing the duties of the office. Each official who is re-elected or re-appointed to a subsequent term must take the Oath of Office for each term.

Upon original appointment or upon a new appointment following an interruption of continuous service, each employee (other than an employee in the labor class) must take an oath or alternate affirmation as set forth in Civil Service Law Section 62.

Filing of Oath – The Oath of Office is filed in the Town Clerk's Office within thirty calendar days of the Public Officer's commencement of the term of office, or upon an employee's appointment.

302 *Procedure for Filling Vacancies*

Statement of Compliance – The Town of Clayton is an Equal Opportunity Employer. The Town complies with all applicable federal, state and local laws, rules, and regulations throughout the employee selection process, including, but not limited to, Public Officers Law, Town Law, Civil Service Law, Title VII, Human Rights Law, the Age Discrimination in Employment Act, and the Americans with Disabilities Act.

Notification of Vacancies – In the event there is a vacancy in a new or existing position which the Town intends to maintain, the vacancy may be advertised and/or posted and qualified individuals interviewed. The Town reserves the right to fill a position either internally or with an external candidate.

Employment Applications – The Town relies upon the accuracy of information contained in the employment application, as well as the accuracy of other data presented throughout the hiring process. Any misrepresentations, falsifications, or material omissions in any of this information or data may result in the Town's exclusion of the individual from further consideration for employment or disqualification if the conduct is discovered after employment commences.

Employment Reference and Background Checks – To ensure that individuals who join the Town are well qualified and have a strong potential to be productive and successful, it is the policy of the Town to check the employment references of final applicants. In addition, final applicants will be required to complete a hold harmless statement and release in order for the Town to conduct appropriate background checks.

Pre-Employment Physicals – When appropriate in accordance with the requirements of a particular position, the Town may require that an applicant undergo a medical examination after receiving a conditional offer of employment, to determine fitness for duty. In doing so, the Town will comply with the provisions of the Americans with Disabilities Act (see Section 902 of this handbook.)

303 Employment of Relatives

Policy Statement – A member of an employee’s immediate family may be considered for employment by the Town if the applicant possesses all of the qualifications for employment. An immediate family member may not be hired, however, if the employment would create either a direct or indirect supervisory/subordinate relationship with the family member; or create either an actual conflict of interest or the appearance of a conflict of interest. These criteria will also be considered when assigning, transferring or promoting an employee.

Definition of Immediate Family – For purposes of this policy, “immediate family” includes the employee’s spouse, brother, sister, parents, children, step-children, father-in-law, mother-in-law, sister-in-law, brother-in-law, daughter-in-law, son-in-law, and any other member of the employee’s household.

Elected Officials – This policy is not intended to supersede the appointing authority of Elected Officials and does not apply to such appointments.

Marriage – Employees who marry or become members of the same household may continue employment as long as there is not a direct or indirect supervisor/subordinate relationship between the employees, or an actual conflict of interest or the appearance of a conflict of interest. Should one of the above situations occur, the Town will attempt to find a suitable position with the Town to which one of the affected employees may be appointed. Such appointment must be in accordance with applicable state and local statutes, including Civil Service Law and related rules and regulations. If accommodations of this nature are not feasible, the employees will be permitted to determine which one of them will resign.

Competitive Class Positions – This policy is not intended to supersede civil service regulations pertaining to appointments made to competitive class positions. Therefore, this policy cannot be used as a basis for denying the appointment of an individual to a competitive class position even if such appointment would constitute the employment of a relative as defined by this policy.

304 Probationary Period

Except as otherwise provided in a collective bargaining agreement, the *Jefferson County Civil Service Rules* provide for the following, which is applicable to employees appointed, promoted or transferred pursuant to the Civil Service laws. Additional provisions may also apply in accordance with those rules.

Purpose of Probationary Period – The purpose of the probationary period is for an employee to become familiar with the specific duties and responsibilities of the employee's new position. The probationary period also provides the Department Head with an opportunity to evaluate the employee's job performance and potential for development in the position.

Length of Probationary Period – Except as otherwise provided in the *Jefferson County Civil Service Rules*, every permanent appointment from an open-competitive list and every permanent appointment to a position in the non-competitive, exempt or labor class shall be for a probationary term of not less than eight nor more than fifty-two weeks. The length of the probationary period may be extended in accordance with the *Jefferson County Civil Service Rules*.

Successful Completion of Probationary Period – An employee's appointment will become permanent upon written notice that the probationary period has been successfully completed following the minimum period of service required. Or, the employee's appointment will become permanent upon the retention of the employee after completion of the maximum period of service required. **Except as otherwise provided by law or a collective bargaining agreement, completion of the probationary period does not necessarily confer rights or privileges in the position.**

Employment Status During Probationary Period – During the probationary period (at any time after the completion of the minimum probationary period and before completion of the maximum probationary period), an employee will be subject to demotion, suspension, or discharge at the Town's sole discretion. If the performance or conduct of an employee serving a probationary period who has been promoted or transferred from a permanent appointment (as defined by civil service regulations) is not satisfactory, the employee shall be returned to the employee's former permanent position prior to the end of the probationary period.

305 *New Employee Orientation*

Procedure – The purpose of the new employee orientation is to welcome new employees and to familiarize them with the Town and their job. The orientation process generally consists of, but is not limited to, a tour of the employee’s assigned worksite, distribution and review of this employee handbook, and enrollment in benefit plans, if applicable. In addition, the employee's Department Head is responsible for introducing the employee to co-workers, scheduling on-the-job training, and reviewing the job description and performance requirements of the position.

306 *Performance Appraisal*

Except as otherwise provided by a collective bargaining agreement, the following shall be the procedure for conducting employee performance appraisals.

Statement of Purpose – The purpose of a performance appraisal is to evaluate employee performance. The performance appraisal will take into consideration criteria that properly reflects the employee’s performance including, but not limited to, the employee’s work quality, job knowledge, initiative, attendance, teamwork, conduct, and communication skills. Except as otherwise governed by a collective bargaining agreement, the employee’s performance appraisal may be considered in determining a pay increase and/or as a factor in promotion or disciplinary action.

Frequency – An employee will be formally evaluated prior to completion of a probationary period and at least once each year thereafter on a date determined by the employee’s Department Head. Informal evaluations will occur on an as needed basis throughout the performance cycle.

Appraisal Meeting – The evaluator will meet with the employee to review the employee’s performance appraisal report.

Deficiencies – Should deficiencies be recorded in the performance of the employee, the employee will receive written recommendations for improvement.

Employee Comments – An employee’s written comments, if any, will be included with the performance appraisal report.

307 **Corrective Action and Discipline**

Policy Statement – It is the policy of the Town of Clayton that certain rules and regulations regarding employee behavior are necessary for the benefit and safety of all employees, the efficient operation of the Town, and the delivery of services to residents of the Town. Any conduct that interferes with operations or that discredits the Town will not be tolerated. Each employee must conduct oneself in a positive manner so as to promote the best interests of the Town. Corrective action is necessary when an employee has demonstrated performance deficiencies, or has violated a policy, rule, regulation, or procedure. Corrective action may include counseling or initiating formal disciplinary action against an employee.

Communication – Open and candid communications with all employees is an important aspect of the Town of Clayton's on-going employee relations. When a rule, policy, or procedure is violated, the employee's Department Head, or other designated supervisor, will review the specific nature of the violation with the employee. The employee's input is extremely important to ensure that all of the facts have been considered.

Counseling – Counseling employees, as opposed to initiating formal disciplinary action, may be the appropriate first step in addressing performance deficiencies or misconduct. The purpose of counseling is to inform the employee of such deficiencies or misconduct, discourage its recurrence, and inform the employee of the consequences if the behavior is repeated. When performance deficiencies are the issue, the performance standards of the job should be reviewed, along with specific examples of how the employee is not meeting those standards. Where appropriate, goals for improvement may be established, along with a time frame for achieving them. The counseling will be documented in writing and the employee will be required to acknowledge receipt by signing the memorandum. Any employee who fails to follow a supervisor's directive to sign the counseling memorandum to acknowledge receipt will be subject to disciplinary action.

Discipline – The purpose of disciplinary action is to impose penalties for performance deficiencies or misconduct. In **normal circumstances**, the Town endorses a policy of progressive discipline which includes, but may not be limited to, documented verbal reprimand, letters of reprimand, suspension without pay, or termination of employment, depending on the circumstances. The Town retains the right to discipline employees without engaging in progressive discipline or prior counseling if the situation so warrants and retains the right to discipline employees in any manner it sees fit.

Investigations – Where appropriate, an investigation will be conducted by the proper supervisor or other designated individual(s) in order to gather all pertinent information and to ensure that all the facts are considered. The investigation may include, among other things, interviews with the employee and any witnesses or other involved parties, and review of documents and materials. Employees who are participants in an investigation are not allowed to disclose the content or particulars of the investigation unless otherwise authorized. All employees who are called upon to participate in an investigation are required to fully cooperate in the process and respond truthfully to all questions posed. Failure to do so will subject the employee to appropriate corrective action. The Town reserves the right to suspend an employee while an investigation is conducted.

During the investigation process, a union employee who appears to be a potential subject of disciplinary action may undergo questioning. Such employee will have the right to

representation by the employee's certified or recognized employee organization under Civil Service Law Article 14, and will be given advanced notice of such right. In the event the employee requests representation, the employee will be allowed a reasonable period of time to obtain such representation. In the event the employee is unable to obtain such representation within a reasonable period of time, the employer will have the right to then question the employee.

Procedures – Employees covered by **Civil Service Law Section 75** shall be disciplined in accordance with the procedures contained therein. (Refer to Section 407 of this Employee Handbook). An employee who is a member of a collective bargaining unit should refer to the collective bargaining agreement on the subject of the disciplinary procedure, wherein the negotiated procedure is the only method of resolving challenges to disciplinary action and wholly replaces the provisions of Civil Service Law Sections 75 and 76.

This list is illustrative only and does not limit the Town's right to impose discipline in other appropriate cases.

For the purpose of calculating length of service of a regular part-time employee, one year of service will be credited for every 1,040 hours of paid work. In the event that a regular part-time employee is appointed to a position as a regular full-time employee, the seniority accrued as part-time employee will be added to the seniority as a full-time employee.

Leaves of Absence – An employee shall not accrue seniority while the employee is on an approved unpaid leave of absence in excess of thirty calendar days for a non-medical leave or twelve weeks for a medical or family leave or while the employee is in layoff status. Employees should use usual break and meal periods for expressing milk, when possible. If additional time is needed beyond the provided breaks, employees may use personal leave or may make up the time during the department's normal hours of operation. The Town recognizes that the employee's lactation accommodation needs may change over time. Employees may request a change to their existing lactation accommodation at any time by contacting the Town Supervisor's Office.

A Private Area for Milk Expression - Employees will be provided with a private place, other than a bathroom, that is shielded from view and free from intrusion from co-workers and the public to express breast milk. The room can be a designated space for lactation. The room will:

Breast milk can be stored in a general company refrigerator, in a refrigerator provided in the lactation room, or in the employee's personal cooler. Violations of this policy will result in appropriate corrective action.

Employees should not “punch-in” (or record a start time on a time sheet) more than ten minutes prior to the start of the employee’s work shift or “punch-out” (or record an end time on a time sheet) more than ten minutes after the end of the work shift, unless approved by the employee’s Department Head. Time recorded within this “grace period” will be rounded to the actually scheduled starting or ending time for pay purposes.

Falsification of Time Records – An employee who, after investigation, is found to have falsified or altered a time record, or the time record of another employee, or completed a time record for another employee, will be subject to disciplinary action. Military Leave of Absence (Federal Law) – An unpaid leave of absence for a period of up to the federal statutory limits will be granted to an employee to serve in any of the Armed Forces of the United States. The employee’s accumulated vacation leave may, at the employee’s option, be used at any time during such leave of absence.

Leave For Military Spouses (New York State Law) – In accordance with NYS Labor Law §202-i, the Town will grant an unpaid leave of absence of up to ten days to an employee (who works an average of twenty hours per week) whose spouse is a member of the armed forces of the United States, National Guard, or reserves who has been deployed during a period of military conflict, to a combat theater or combat zone of operations. This leave shall only be used when the employee’s spouse is on leave from such deployment. This does not preclude the employee’s option to use available paid leave upon approval of the employee’s Department Head.

504 Leave for Cancer Screening

Policy – The Town of Clayton complies with New York State Civil Service Law §159-b which entitles all Town employees to paid leave to undertake screening for cancer. This leave will not be charged against any available sick, vacation, personal, or other leave accruals. This does not preclude an employee's option to use other available paid leave for this same purpose.

Allowance – An employee will be allowed four hours of paid leave per year for the purpose of undergoing a screening procedure for cancer. Such paid leave will be accrued as of January 1 each year. If the employee does not exercise his/her rights to the leave, those hours are not carried forward to the next year. The allowed leave time may include the travel time to and from the appointment and any subsequent follow up consultation visits. In addition, the allowed leave may be staggered throughout the year until the maximum allowance has been reached.

Scheduling – An employee must receive prior approval from the employee's Department Head to take leave for this purpose. The request for leave should be submitted to the Department Head in writing a minimum of two days in advance. The Department Head will have total discretion in the approval of this leave, but will not unreasonably deny such request.

Documentation Requirements – If an employee applies for paid leave for a cancer screening procedure under this policy, documentation must be provided to the Department Head from the health care provider verifying that the absence from the workplace was for cancer screening. If an employee uses any other available leave for a cancer screening procedure, the provisions of the applicable leave policy (e.g. sick, personal, vacation,) will apply; there is no requirement in such a case to provide specific documentation regarding cancer screening.

505 Leave for Blood or Bone Marrow Donations

Policy –The Town of Clayton complies with New York State Labor Law §§202-a and 202-j which entitle Town employees time off from work to donate blood and/or to undergo a medical procedure to donate bone marrow. This leave of absence will not be charged against any available sick, vacation, personal, compensatory or other leave accruals. The leave allowed under this policy is unpaid, however, this does not preclude an employee's option to use available paid leave for these purposes.

Blood Donation Allowance – An employee will be allowed a leave of absence of up to three hours per year under this policy. Such leave will be accrued as of January 1 each year. If the employee does not exercise his/her rights to this leave, those hours are not carried forward to the next year. The allowed leave may include the travel time to and from the appointment. The Town may require the employee to provide proof of blood donation.

Bone Marrow Donation Allowance – An employee may take leave in order to donate bone marrow as well as to recover from the procedure and for resulting medical care. The employee's physician will determine the amount of leave required by the employee. However, the leave need not exceed 24 work hours unless additional leave is agreed to by the Town. There is no limitation on how frequently an employee may take such leave. The Town may require the employee to provide proof of bone marrow donation.

Scheduling – An employee must receive prior approval from the employee’s Department Head to take leave for this purpose. The request for leave should be submitted to the Department Head in writing a minimum of two days in advance. The Department Head will have total discretion in the approval of this leave, but will not unreasonably deny such request.

506 Bereavement Leave

Eligibility – In the event of a death of a full-time employee’s immediate family member, the employee may take a paid leave for up to three consecutive days from the employee’s regularly scheduled work. Such leave will not be subtracted from any of the employee’s leave credits. A part-time, temporary, or seasonal employee is not eligible for paid bereavement leave but may be allowed to take time-off without pay provided the employee has prior approval from the Department Head.

Definition of Immediate Family – For purpose of bereavement leave, “immediate family member” will mean the following:

- Spouse
- Child
- Sibling
- Parent (including Step or Foster Parent)
- Mother/Father-in-law (of present marriage)
- Grandparent
- Grandchild
- Domestic Partner*

**Defined under NYS Human Rights Law §79-n, same-sex committed partners are those who are financially and emotionally interdependent in a manner commonly presumed of spouses.*

In addition, the employee will be eligible for up to one day of paid leave to attend the funeral of any of the following relations:

- Brother- or Sister-in-law
- Aunt or Uncle
- Niece or Nephew
- Cousin

Such leave will not be subtracted from any of the employee’s leave credits. A new employee shall become eligible upon completion of the appropriate probationary period. A part-time, temporary, or seasonal employee is not eligible for paid bereavement leave but may be allowed to take time-off without pay provided the employee has prior approval from the Department Head.

Extended Bereavement Leave – With authorization from the employee’s Department Head, an employee may use vacation leave credits and/or personal leave credits to extend a bereavement leave. The Department Head will have total discretion in the approval of an employee’s extended bereavement leave, based upon the needs of the department.

Union Employees – An employee who is a member of a collective bargaining unit is not covered by the Bereavement Leave provisions set forth above and should refer to the applicable collective bargaining agreement.

507 Volunteer Firefighters / Emergency Responders

Except as otherwise provided by a collective bargaining agreement, the following policy shall apply regarding those employees who are volunteer firefighters or emergency responders:

Policy – In the event an employee is called upon to perform volunteer duties as a firefighter or emergency responder on a day the employee is scheduled to work, the employee will receive paid leave to perform such duties if so authorized. The employee may not leave the workplace until it has been approved by the appropriate supervisor. The paid leave is limited to the extent of the employee's regular work schedule. Such leave will not be subtracted from any of the employee's leave credits. Time spent by the employee performing such duties, including driving to and from the scene, will not be included as time worked for purposes of computing overtime. The employee is required to return to the worksite upon completion of the emergency call, unless such call ends after the end of the employee's scheduled work shift.

Documentation Requirements – The employee must account for all time spent responding to emergency calls on the employee's time sheet, including the time the employee left and returned to the worksite. The employee may be required to submit verification of the employee's attendance at such call.

Responding to Calls During Paid Leave – If the employee is on a paid leave from the Town and the employee responds to a call, the employee will not receive additional compensation from the Town and the employee's appropriate leave time will still be charged.

508 **Family and Medical Leave Policy**

Policy Statement – It is the policy of the Town of Clayton to grant a full-time employee a leave of absence without pay for a period of up to twelve weeks, under certain circumstances. If and when any employee meets the eligibility requirements under the *Family and Medical Leave Act*, the provisions of that Act will then take precedence over this policy.

Granting of Leave of Absence – The granting and duration of each leave of absence will be determined by the Town Board in conjunction with applicable federal and state laws, including Civil Service Law Sections 71, 72 and 73, as applicable, and the *Jefferson County Civil Service Rules*.

Types of Leave – The following types of leaves of absence will be considered:

- **Sick Leave of Absence** – Employees who are unable to work because of a serious health condition or disability may be granted a sick leave of absence. This type of leave includes disabilities caused by pregnancy, childbirth, or other related medical conditions. The Town requires certification of an employee's need for sick leave, both before the leave begins and on a periodic basis thereafter, by the employee's health care provider.

In addition to leave provided under this policy, employees may be eligible for a leave of absence pursuant to Civil Service Law Section 71. Section 71 provides that **covered** employees shall be entitled to a leave of absence for at least one cumulative year (unless found to be permanently disabled) when disabled due to an occupational injury or disease as defined in the Workers' Compensation Law. This leave runs concurrently with the designated Family and Medical Leave. Employee should consult with their Department Head for further details regarding this provision.

- **Parental Leave of Absence** – Female employees, when not disabled by pregnancy or childbirth (see above), and male employees may be granted a parental leave of absence to care for a child upon birth or upon placement for adoption or foster care.
- **Family Care Leave of Absence** – Employees may be granted a family care leave of absence for the purpose of caring for a child, spouse or parent who has a serious health condition. The Town requires certification of the family member's serious health condition, both before the leave begins and on a periodic basis, by the family member's health care provider.

Eligibility – To be eligible, an employee must meet the following requirements:

- The employee must have completed at least one year of full-time, continuous service during the previous twelve months prior to the date leave commences.
- Spouses who both work for the Town of Clayton are allowed a combined maximum of twelve workweeks of leave for the birth or care of a newborn child, adoption or foster care of a child and to care for such newly placed child, or the serious health condition of a child, spouse or parent, during any twelve month period.

Definitions – For the purpose of this policy, the following definitions will apply:

- **Serious Health Condition** will mean and refer to an illness, injury, impairment, or physical or mental condition that involves inpatient care in a hospital, hospice, or residential medical care facility, or any subsequent treatment in connection with such inpatient care; or continuing treatment by a health care provider, including, but not limited to:
 - * A period of incapacity of more than three consecutive calendar days and any subsequent treatment or period of incapacity that also involves continuing treatment by a health care provider;
 - * A period of incapacity due to pregnancy or prenatal care;
 - * A period of incapacity or treatment for such incapacity due to a chronic serious health condition;
 - * A period of incapacity which is permanent or long-term due to a condition for which treatment may not be effective; or
 - * A period of absence to receive multiple treatments, including any period of recovery, by a health care provider, or by a provider of health care services under orders of or on referral by a health care provider, for restorative surgery after an accident or other injury or for a condition that would likely result in a period of incapacity of more than three consecutive calendar days in the absence of medical intervention or treatment.
- **Health Care Provider** will mean and refer to a doctor of medicine or osteopathy who is authorized to practice medicine or surgery by the State in which the doctor practices; or any other person defined in the FMLA regulations capable of providing health care services.
- **Family Member** will mean and refer to:
 - * **Spouse** – husband, wife or domestic partner as defined or recognized under State law for purpose of marriage;
 - * **Parent** – biological parent or an individual who stands or stood in *loco parentis* to an employee when the employee was a child as defined directly below. This term does not include an employee's parents "in law".
 - * **Child** – biological, adopted or foster child, a stepchild, a legal ward, or a child of a person standing in *loco parentis*, who is either under age eighteen, or age eighteen or older and "incapable of self-care because of a mental or physical disability". Persons who are "*in loco parentis*" include those with day-to-day responsibilities to care for and financially support a child or, in the case of an employee, who had such responsibility for the employee when the employee was a child. A biological or legal relationship is not necessary.

Notification Requirements – If the need for leave is foreseeable, the employee must give notice, in writing, to the Department Head at least thirty calendar days prior to the commencement date of the unpaid leave. The employee must complete the Leave of Absence Request Form and forward the completed form to the Town Supervisor's Office for review. The failure of an employee to give thirty days' notice of foreseeable leave with no reasonable excuse for the delay may result in the delay of the employee taking the leave until thirty days from the date of notice. When the need for leave is unforeseeable, verbal notice to the employer will be sufficient.

Status Reports – The employee must periodically update the Department Head as to the employee's status and intent to return to work.

Medical Certification – The employee must produce a medical certification issued by a health care provider which supports the need for a leave under this policy. When required, the employee must provide a copy before the leave begins, or if the leave was unforeseeable, no later than fifteen calendar days from the date the certification was requested. Failure to submit medical certification may jeopardize the employee's eligibility for an unpaid leave of absence and/or the ability to return to work. The medical certification must include:

- The date the medical condition began;
- The probable duration of the medical condition;
- Pertinent medical facts; and,
- An assertion that the employee is unable to perform the employee's essential job functions or that the employee is needed to care for a family member for a specified period of time.

The Town of Clayton reserves the right to request a second opinion by another health care provider. The Town will pay for the second opinion. In the event a conflict occurs between the first and second opinion, the Town may, again at its own expense, obtain a third opinion from a health care provider approved jointly by the Town and the employee. This third opinion will be final and binding.

Leave for the Birth, Adoption or Foster Care Placement of a Child – Leave for the birth of a child or the placement of a child for adoption or foster care must conclude within twelve months from the date of the birth or placement.

Certification for Adoption/Foster Care – An employee must produce proper certification from the appropriate agency for an unpaid leave for the adoption or foster care of a child.

Employment Restrictions During Leave of Absence – While on an approved leave, the employee may not be employed by another employer during the same hours that the employee was normally scheduled to work for the Town of Clayton.

Benefits During a Leave of Absence – For the purpose of this policy, the following will apply:

- **Use of Accrued Paid Leave Credits** – An employee taking leave for the **birth, adoption or foster placement of a child or to care for a spouse, child or parent with a serious health condition** must first use all vacation leave credits which will be included in the maximum twelve weeks of leave. The substitution of paid leave for unpaid leave for these types of leave does not extend the twelve-week period.

For leaves taken due to the **employee's own serious health condition**, the employee must first use all sick leave and vacation leave credits, which will be included in the maximum twelve weeks of leave. However, in the event that the paid leave credits available are greater than the maximum twelve-week period, an employee may use paid leave credits to extend the leave of absence beyond the twelve-week period, **up to a maximum of one year**. If, after the completion of the one-year leave of absence, the employee is medically unable to return to work (as determined by a health care provider) and the employee has leave credits remaining, the Town Board may authorize an extension of the employee's leave of absence until such benefits are exhausted. However, **job reinstatement** beyond the one-year leave of absence **is not automatic** and will be dependent upon job availability, in accordance with Civil Service Law Sections 71, 72 and 73, as applicable, and the *Jefferson County Civil Service Rules*.

- **Accrual of Paid Leave Credits** – An employee will continue to accrue vacation and sick leave and receive holiday pay during the portion of the leave that is paid. **Paid leave is defined as leave during which the employee continues to use accumulated paid vacation and sick leave.** After all such paid leave is exhausted, the remaining leave of absence is unpaid. An employee will not earn paid vacation or sick leave or receive holiday pay for any holidays that may occur during an unpaid leave of absence.
- **Medical Insurance** – During the period of authorized leave under this policy, up to a maximum of twelve weeks, an employee's eligibility status for medical insurance coverage will not change. All employee contributions (if any) must be paid on a timely basis in order to maintain the continuous coverage of benefits. Contributions will be at the same level as if the employee was working. Coverage will cease if payments are not made within a thirty-calendar day grace period of the due date. Premium payments or policy coverage are subject to change. In the event the employee fails to return to work after the authorized leave of absence period has expired, provisions of COBRA (see Section 709) will apply. In addition, the Town may recover the premium that it paid for maintaining the coverage during any period of the unpaid leave except for the following circumstances:
 - * The continuation, recurrence, or onset of a serious health condition of the employee or the employee's eligible family member with proper medical certification; or,
 - * Circumstances beyond the employee's control, such as: parent chooses to stay home with a newborn child who has a serious health condition; employee's spouse is unexpectedly transferred to a job location more than 75 miles from the employee's work-site; the employee is laid off while on leave.

Return to Work – The following conditions for returning to work will apply:

- **Job Restoration** – At the conclusion of the leave of absence, (except for leaves beyond a one-year period) the employee, provided that the employee returns to work immediately following such leave, will be restored to the position the employee held when the leave began, or an equivalent position with equivalent benefits, pay and working conditions. For an authorized leave of absence beyond the one-year period, job restoration will be dependent upon job availability, in accordance with Civil Service Law Sections 71, 72 and 73, as applicable, and the *Jefferson County Civil Service Rules*.
- **Medical Statement** – Before resuming employment, an employee must submit a statement from the employee's health care provider indicating that the employee is able to return to work either with or without restrictions. The Town reserves the right to have the employee examined by a physician selected and paid for by the Town to determine the employee's fitness to return to work either with or without restrictions. Failure to return to work when required may be considered a voluntary termination.
- **Early Return** – An employee who intends to return to work earlier than anticipated must notify the Department Head at least five business days prior to the date the employee is able to return. The Department Head shall in turn notify the Town Supervisor.
- **Extension of Unpaid Leave of Absence** – An employee who wants an extension of the leave previously requested must notify the employee's Department Head at least two business days from the date the change occurred which necessitates the change in leave time. The Town Board reserves the right to approve all leave extensions.

Statement of Compliance – The Town of Clayton complies with the provisions of the Family and Medical Leave Act (FMLA). **The Town of Clayton does not regularly employ fifty or more employees. Under that circumstance, Town employees are not eligible for leave under the FMLA.** If at some point the Town of Clayton should employ fifty or more employees, eligible employees will be afforded leave in compliance with FMLA.

509 Unpaid Leave of Absence

Policy Statement – Subject to the approval of the Town Board, unpaid leaves of absence other than under the Family and Medical Leave Policy may be available to an employee for personal reasons including, but not limited to, family responsibilities and education. However, the Town Board will not consider a Leave of Absence for training programs not related to the employee's current or potential future position at the Town of Clayton or probationary periods at employers other than the Town of Clayton.

Request for Unpaid Leave – The employee must submit a request and the reasons for the leave, in writing, to the Town Supervisor at least thirty calendar days prior to planned commencement of the requested leave. Shorter notification may be permitted in cases of emergency. The Town Board has sole discretion in approving such leave.

Conditions of Leave – The Town Board will specify the duration of an unpaid leave of absence and may impose such other terms, conditions and restrictions on the employee as deemed appropriate.

Continuation of Benefits – An employee on an approved unpaid leave of absence may continue to be eligible for medical insurance coverage in accordance with COBRA.

Disability benefits and accruals for leave benefits shall be suspended.

Return to Work – An employee who fails to return from an unpaid leave of absence at the scheduled expiration date without giving proper notice or receiving proper authorization shall be conclusively presumed to have voluntarily resigned from employment.

Change in Status – If the reason for the unpaid leave of absence changes, the employee must return to work.

Compensation – In the event an FLSA non-exempt employee is called in to work outside of the employee’s regularly scheduled work shift, the employee shall be credited for pay purposes with the greater of either two hours time, or the time actually worked. “Time actually worked” will be considered to start at the time the employee arrives at the worksite and “clocks-in.”

Union Employees – An employee who is a member of a collective bargaining unit should refer to the Call-In Pay provision in the applicable collective bargaining agreement.

605 Pay Period and Check Distribution

The employee must submit a signed, written authorization for direct deposit to the Town Supervisor’s Office.

Authorized Check Release – The Department Head will not release a paycheck to anyone other than the employee unless the employee has submitted a signed, written authorization with the Town Supervisor’s Office.

606 Payroll Deductions

Statutory Deductions – The required portion of an employee's pay for federal and state taxes, and any other deduction required by law, will be deducted from the employee's paycheck. Such deductions will be noted on the paycheck.

Voluntary Deductions – Payroll deductions provided through the Town's payroll system will be made from an employee's paycheck when authorized by the employee. Such deductions will be noted on the paycheck.

607 Deferred Compensation Plan

Summary – The Town of Clayton has established a Deferred Compensation Plan whereby a portion of an employee's salary may be voluntarily withheld and invested. The money saved is paid out to the employee at a later date, generally during retirement years. Neither the deferred amount nor earnings on investments are subject to current Federal and State Income Taxes. Taxes become payable when the deferred income plus earnings are distributed to the employee, presumably at retirement when the tax bracket may be lower. A description of the plan may be obtained from the Town Supervisor's Office.

An employee must receive prior approval from the employee's Department Head to take the floating holiday.

Eligibility – A full-time employee is eligible for holiday pay at the employee's regular rate of pay. A part-time, temporary, or seasonal employee is not eligible for holiday pay. (Part-time employees paid on a salary basis will receive their regular pay during a pay period in which a holiday occurs.)

Holiday Pay Requirement – Unless otherwise authorized by the Department Head, an FLSA non-exempt employee must work the employee's scheduled workday before and the employee's scheduled workday after a designated holiday in order to receive holiday pay.

Eligibility – A full-time employee is eligible for paid vacation leave in accordance with this policy. A part-time, temporary, or seasonal employee is not eligible for paid vacation leave but may be allowed to take time-off without pay provided the employee has prior approval from the Department Head.

Allowance – A full-time employee will be credited with paid vacation leave in accordance with the vacation schedule below. Vacation leave is based on the average number of hours an employee is normally scheduled to work each week. An employee may take vacation leave only after it has been credited. Unless otherwise specified below, the employee will be credited on January 1 for the vacation leave earned for the service year milestone reached within the current fiscal year.

- A. Five days of vacation leave shall be credited during the first calendar year of employment, provided that six months of continuous service have been completed. Such leave will be credited on the employee's six-month anniversary.
- B. Ten days of vacation leave shall be credited during the second calendar year of employment. Such leave will be credited on January 1, or for those employees who have not yet completed six months of continuous service, on the employee's six-month anniversary.
- C. One additional day of vacation leave shall be credited during each subsequent calendar year of continuous service through the completion of twelve calendar years.
- D. After the employee has completed twelve calendar years of continuous service, the employee shall be credited with twenty days of vacation leave.
- E. For employees hired prior to January 1, 1998, after the employee has completed fifteen calendar years of continuous service, the employee shall be credited with twenty-five days of vacation leave.

Continuous Service – Continuous Service shall mean uninterrupted service. An authorized leave of absence without pay, or a resignation followed by reinstatement within one year following such resignation, shall not constitute an interruption of continuous service. However, the duration of the absence from work without pay will be excluded from the computation of length of continuous service. Vacation is earned only for monthly pay periods during which an employee is in full pay status for at least fifteen working days during such monthly pay period.

Crediting of Leave – In order to receive the full vacation leave allotment, the employee must work the entire calendar year. In the event that the employee does not work the entire calendar year, the employee shall only be entitled to a pro-rata portion of the vacation allotment.

Scheduling – Where a conflict of vacation requests exists, the most senior employee in each department will have preference. Vacation time shall be taken in no less than one hour increments and those hours will be given at the discretion of the Department Head. The Department Head and the Town Supervisor will have total discretion in the approval of vacation leave. Except in emergency cases, vacation time encompassing full weeks must be requested one week prior to the time requested. The Department Head will have the option of assigning one week of vacation time. There must be a one week notice if this option is taken, unless otherwise agreed upon by the Department Head.

Accumulation – An employee **may not** accumulate vacation leave credits. Any vacation leave credits remaining unused at the end of the last business day of the calendar year shall be cancelled.

Holiday During Scheduled Vacation – In the event a designated holiday occurs on an employee's normal workday and the employee is on paid vacation, the employee will receive holiday pay for the day and the employee's vacation leave credits will not be charged for that day.

Separation of Employment – An employee who resigns, retires or is laid off will receive cash payment for the pro-rata portion of unused vacation leave to which the employee is properly entitled, at the employee's then current rate of pay. To be eligible to receive this payment, an employee who is to resign or retire must give written notice at least two weeks in advance of the last day of employment. If at the time of an employee's separation from service the employee has taken more than the pro-rata earned vacation allotment, an adjustment will be made in the employee's final paycheck.

In the event an employee leaves employment due to disciplinary action, the employee will not receive a settlement for unused vacation leave. In cases of death of an employee, the Town will pay an employee's designated beneficiary for the pro-rata portion of any unused vacation leave.

Union Employees – An employee who is a member of a collective bargaining unit is not covered by the Vacation Leave provisions set forth immediately above and should refer to the applicable collective bargaining agreement.

703 Sick Leave

Eligibility – A full-time employee is eligible for paid sick leave following the completion of six months of employment. A part-time, temporary, or seasonal employee is not eligible for paid sick leave.

Allowance – A full-time employee will be credited with one day of paid sick leave each month. The employee will be credited on the first day of the month after the sick leave has been earned. Sick leave is based on the average number of hours an employee is normally scheduled to work each week.

New Employee – A newly hired employee will not be credited with sick leave credits prior to completing six months of continuous employment, at which time a full-time employee will be credited with one day of paid sick leave each month.

Accrual During Leaves of Absence – An employee will be credited with sick leave credits while on a paid leave of absence, but not while on an unpaid leave of absence.

Notification of Sick Leave – In the event an employee must take sick leave, the employee must notify the Department Head at least two hours before the employee's scheduled reporting time. The notification must be made personally to the Department Head, unless the Department Head authorizes the use of an answering device for this purpose. Unless an extended sick leave absence has been authorized, the employee must notify the employee's Department Head each day of the absence. These procedures must be followed to receive paid sick leave.

Proper Use of Sick Leave – Sick leave is provided to protect an employee against financial hardship during an illness, injury, or medical procedure. An employee may use sick leave credits for a personal illness, injury, or medical/dental appointment that inhibits the employee's ability to work. Sick leave credits may not be used in increments of less than one hour. An employee may take sick leave only after it has been credited.

Family Sick Leave – An employee may use up to five days of sick leave credits annually for family illness or injury if the employee must provide direct care to an immediate family member. Such leave will be subtracted from the employee's accumulated sick leave credits. For purpose of family sick leave, "immediate family member" will mean the employee's parent, spouse or child, including step-child and foster child.

Accumulation – An employee may accumulate sick leave credits to a maximum of one thousand forty hours. It is important to recognize that paid sick leave can provide income protection and continued medical insurance coverage in the event the employee is unable to work for a long period of time due to illness or injury. Therefore, each employee should take care to manage the use of sick leave to ensure adequate time is available should such a need arise.

Medical Verification – The Town may require medical verification of an employee's absence if the Town perceives the employee is abusing sick leave, or has used an excess amount of sick leave, or when an employee is absent for more than five consecutive workdays due to an illness or injury. If an employee is on an authorized leave of absence, the provisions of the Family and Medical Leave Policy in this Employee Handbook shall apply.

Abuse of Sick Leave – An employee who, after investigation, is found to have abused the use of sick leave or falsifies supporting documentation, will be subject to disciplinary action.

Separation of Employment – An employee whose employment with the Town is terminated for any reason, including retirement, will not receive cash payment for unused sick leave.

Policy Statement – Town of Clayton recognizes that employees may have a family medical emergency or be affected by a major disaster, resulting in a need for additional time off in excess of their available sick time. To address this need, all eligible employees will be allowed to donate accrued paid sick leave hours from their unused balance to their co-workers in need of additional paid time off, in accordance with the policy outlined below. An eligible employee will be defined as a full-time employee with a sick time accrual of at least ten (10) hours. This policy is strictly voluntary.

Eligibility – Employees must be employed with Town of Clayton for a minimum of one year to be eligible to donate and/or receive donated sick time.

The recipient employee must be a full-time employee working over 1,250 hours annually. The recipient employee must have exhausted all paid leave at the time of donation.

An employee who has active discipline due to attendance issues or is not meeting attendance expectations on the performance evaluation may be deemed ineligible for participation in this program.

- The donation of sick time is strictly voluntary.
- The donation of sick time is on an hourly basis, without regard to the dollar value of the donated or used leave.

- Employees cannot borrow against future sick time to donate.
- Employees who are currently on an approved leave of absence cannot donate sick time.
- Donated leave is irrevocable, meaning that once it is donated it will not be returned to the donor-employee.

Requesting Donated Sick/Personal Time – Employees who would like to request donated sick/personal time are required to complete a Donation of Sick Time Request Form and submit it to human resources. Donated sick time may only be used for time off related to the approved request.

Employees who receive donated sick time may receive no more than 480 hours (12 weeks) within a rolling 12-month period. Recipients may not bank leave donations.

This procedure is not intended to restrict an individual's rights to make a complaint to a federal or state agency.

804 Reproductive Health Decision Making

Policy Statement – The Town of Clayton complies with NYS Labor Law Section 203-e which prohibits discrimination or retaliation against employees based on an "employee's or a dependent's reproductive health decision making," including, but not limited to, the decision to use or access a particular drug, device, or medical service related to reproductive health.

Prohibited Conduct – The Town will not:

- Access an employee's personal information regarding the employee's or the employee's dependent's reproductive health decision making, including but not limited to the decision to use or access a particular drug, device or medical service, without the employee's prior informed affirmative written consent.
- Discriminate or retaliate against an employee with respect to compensation, terms, conditions or privileges of employment based on the employee's or the employee's dependent's reproductive health decision making, including but not limited to a decision to use or access a particular drug, device or medical service.
- Require an employee to sign a waiver or other document that denies the employee the right to make the employee's own reproductive health care decisions.

Employee Rights and Remedies – The law gives an employee the right to bring a civil action in any court of competent jurisdiction against an employer alleged to have violated the law. Available remedies include: (a) damages, including, but not limited to, back pay, benefits and reasonable attorneys' fees and costs; (b) injunctive relief; (c) reinstatement; and (d) liquidated damages equal to 100 percent of the award for damages, unless an employer provides a good faith basis to believe that its alleged violations were in compliance with the law.

805 Town of Clayton Sexual Harassment Policy

The Town of Clayton is committed to maintaining a workplace free from harassment and discrimination. Sexual harassment is a form of workplace discrimination that subjects an employee to inferior conditions of employment due to their gender, gender identity, gender expression (perceived or actual), and/or sexual orientation. Sexual harassment is often viewed simply as a form of gender-based discrimination, but the Town of Clayton recognizes that discrimination can be related to or affected by other identities beyond gender. Under the New York State Human Rights Law, it is illegal to discriminate based on sex, sexual orientation, gender identify or expression, age, race, creed, color, national origin, military status, disability, pre-disposing genetic characteristics, familial status, marital status, criminal history, or status as a victim of domestic violence. Our different identities impact our understanding of the world and how others perceive us. For example, an individual's race, ability, or immigration status may impact their experience with gender discrimination in the workplace. While this policy is focused on sexual harassment and gender discrimination, the methods for reporting and investigating discrimination based on other protected identities are the same. The purpose of this policy is to teach employees to recognize discrimination, including discrimination due to an individual's intersecting identities, and provide the tools to take action when it occurs. All employees, managers and supervisors are required to work in a manner designed to prevent sexual harassment and discrimination in the workplace. This Policy is one component of the Town of Clayton's commitment to a discrimination-free work environment.

Goals of this Policy:

Sexual harassment and discrimination are against the law. After reading this policy, employees will understand their right to a workplace free from harassment. Employees will also learn what harassment and discrimination look like, what actions they can take to prevent and report harassment, and how they are protected from retaliation after taking action. The policy will also explain the investigation process into any claims of harassment. Employees are encouraged to report sexual harassment or discrimination by filing a complaint internally with the Town. Employees can also file a complaint with a government agency or in court under federal, state, or local antidiscrimination laws. To file an employment complaint with the New York State Division of Human Rights, please visit <https://dhr.ny.gov/complaint>. To file a complaint with the United States Equal Employment Opportunity Commission, please visit <https://www.eeoc.gov/filing-charge-discrimination>.

Sexual Harassment and Discrimination Prevention Policy:

1. This policy applies to all employees, supervisors, and Department Heads, whether employed full- or part-time, temporary or seasonal, and interns, whether paid or unpaid. The policy also applies to additional covered individuals. It applies to all Elected Officials, Appointed Members of Boards and Commissions, and volunteers. It applies to applicants for employment, anyone who is (or is employed by) a contractor, subcontractor, vendor, consultant, or anyone providing services in our workplace. These individuals include persons commonly referred to as independent contractors, gig workers, and temporary workers. Also included are persons providing equipment repair, cleaning services, or any other services through a contract with the Town. For the remainder of this policy, we will collectively refer to this group as "covered individuals."

2. Sexual harassment is unacceptable. Any employee or covered individual who engages in sexual harassment, discrimination, or retaliation will be subject to action, including appropriate discipline for employees. In New York, harassment does not need to be severe or pervasive to be illegal. Employees and covered individuals should not feel discouraged from reporting harassment because they do not believe it is bad enough, or conversely because they do not want to see a colleague fired over less severe behavior. Just as harassment can happen in different degrees, potential discipline for engaging in sexual harassment will depend on the degree of harassment and might include education and counseling. It may lead to suspension or termination when appropriate.
3. Retaliation is prohibited. Any employee or covered individual that reports an incident of sexual harassment or discrimination, provides information, or otherwise assists in any investigation of a sexual harassment or discrimination complaint is protected from retaliation. No one should fear reporting sexual harassment if they believe it has occurred. So long as a person reasonably believes that they have witnessed or experienced such behavior, they are protected from retaliation. Any employee of the Town who retaliates against anyone involved in a sexual harassment or discrimination investigation will face disciplinary action, up to and including termination. All employees and covered individuals working in the workplace who believe they have been subject to such retaliation should inform a Department Head, supervisor, or the Town Supervisor. All employees and covered individuals who believe they have been a target of such retaliation may also seek relief from government agencies, as explained below in the section on Legal Protections.
4. Discrimination of any kind, including sexual harassment, is a violation of our policies, is unlawful, and may subject the Town to liability for the harm experienced by targets of discrimination. Harassers may also be individually subject to liability and employers or supervisors who fail to report or act on harassment may be liable for aiding and abetting such behavior. Employees at every level who engage in harassment or discrimination, including Department Heads and supervisors who engage in harassment or discrimination or who allow such behavior to continue, will be penalized for such misconduct.
5. The Town will conduct a prompt and thorough investigation that is fair to all parties. An investigation will happen whenever management receives a complaint about discrimination or sexual harassment, or when it otherwise knows of possible discrimination or sexual harassment occurring. The Town will keep the investigation confidential to the extent possible. If an investigation ends with the finding that discrimination or sexual harassment occurred, the Town will take appropriate action. The Town will also take steps to ensure a safe work environment for the employee(s) who experienced the discrimination or harassment. All employees, including Department Heads and supervisors, are required to cooperate with any internal investigation of discrimination or sexual harassment.
6. All employees and covered individuals are encouraged to report any harassment or behaviors that violate this policy. All employees will have access to a complaint form to report harassment and file complaints. Use of this form is not required. For anyone who would rather make a complaint verbally, or by email, these complaints will be treated with equal priority. An employee or covered individual who prefers not to report harassment to their Department Head or employer may instead report harassment to the New York State Division of Human Rights and/or the United States Equal Employment Opportunity Commission. Complaints may be made to both the Town and a government agency.

Department Heads and supervisors are **required** to report any complaint that they receive, or any harassment that they observe or become aware of, to the Town Supervisor, or if the Town Supervisor is an involved party, to any member of the Town Board.

7. This policy applies to all employees and covered individuals, such as contractors, subcontractors, vendors, consultants, or anyone providing services in the workplace, and all must follow and uphold this policy. This policy must be provided to all employees in person or digitally through email upon hiring and will be posted prominently in all work locations.

What Is Sexual Harassment?

Sexual harassment is a form of gender-based discrimination that is unlawful under federal, state, and (where applicable) local law. Sexual harassment includes harassment on the basis of sex, sexual orientation, self-identified or perceived sex, gender expression, gender identity, and the status of being transgender. Sexual harassment is not limited to sexual contact, touching, or expressions of a sexually suggestive nature. Sexual harassment includes all forms of gender discrimination including gender role stereotyping and treating employees differently because of their gender.

Understanding gender diversity is essential to recognizing sexual harassment because discrimination based on sex stereotypes, gender expression and perceived identity are all forms of sexual harassment. The gender spectrum is nuanced, but the three most common ways people identify are cisgender, transgender, and non-binary. A cisgender person is someone whose gender aligns with the sex they were assigned at birth. Generally, this gender will align with the binary of male or female. A transgender person is someone whose gender is different than the sex they were assigned at birth. A non-binary person does not identify exclusively as a man or a woman. They might identify as both, somewhere in between, or completely outside the gender binary. Some may identify as transgender, but not all do. Respecting an individual's gender identity is a necessary first step in establishing a safe workplace.

Sexual harassment is unlawful when it subjects an individual to inferior terms, conditions, or privileges of employment. Harassment does not need to be severe or pervasive to be illegal. It can be any harassing behavior that rises above petty slights or trivial inconveniences. Every instance of harassment is unique to those experiencing it, and there is no single boundary between petty slights and harassing behavior. However, the Human Rights Law specifies that whether harassing conduct is considered petty or trivial is to be viewed from the standpoint of a reasonable victim of discrimination with the same protected characteristics. Generally, any behavior in which an employee or covered individual is treated worse because of their gender (perceived or actual), sexual orientation, or gender expression is considered a violation of the Town's policy. The intent of the behavior, for example, making a joke, does not neutralize a harassment claim. Not intending to harass is not a defense. The impact of the behavior on a person is what counts. Sexual harassment includes any unwelcome conduct which is either directed at an individual because of that individual's gender identity or expression (perceived or actual), or is of a sexual nature when:

- The purpose or effect of this behavior unreasonably interferes with an individual's work performance or creates an intimidating, hostile or offensive work environment. The impacted person does not need to be the intended target of the sexual harassment;

- Employment depends implicitly or explicitly on accepting such unwelcome behavior; or
- Decisions regarding an individual's employment are based on an individual's acceptance to or rejection of such behavior. Such decisions can include what shifts and how many hours an employee might work, project assignments, as well as salary and promotion decisions.

There are two main types of sexual harassment:

- Behaviors that contribute to a **hostile work environment** include, but are not limited to, words, signs, jokes, pranks, intimidation, or physical violence which are of a sexual nature, or which are directed at an individual because of that individual's sex, gender identity, or gender expression. Sexual harassment also consists of any unwanted verbal or physical advances, sexually explicit derogatory, or discriminatory statements which an employee finds offensive or objectionable, causes an employee discomfort or humiliation, or interferes with the employee's job performance.
- Sexual harassment also occurs when a person in authority tries to trade job benefits for sexual favors. This can include hiring, promotion, continued employment or any other terms, conditions, or privileges of employment. This is also called **quid pro quo** harassment.

Any employee or covered individual who feels harassed is encouraged to report the behavior so that any violation of this policy can be corrected promptly. Any harassing conduct, even a single incident, can be discrimination and is covered by this policy.

Examples of Sexual Harassment

The following describes some of the types of acts that may be unlawful sexual harassment and that are strictly prohibited. **This list is just a sample of behaviors and should not be considered exhaustive.** Any employee who believes they have experienced sexual harassment, even if it does not appear on this list, should feel encouraged to report it:

- Physical acts of a sexual nature, such as:
 - Touching, pinching, patting, kissing, hugging, grabbing, brushing against another employee's body, or poking another employee's body; or
 - Rape, sexual battery, molestation, or attempts to commit these assaults, which may be considered criminal conduct outside the scope of this policy (please contact local law enforcement if you wish to pursue criminal charges).
- Unwanted sexual comments, advances, or propositions, such as:
 - Requests for sexual favors accompanied by implied or overt threats concerning the target's job performance evaluation, a promotion, or other job benefits;
 - Subtle or obvious pressure for unwelcome sexual activities; or
 - Repeated requests for dates or romantic gestures, including gift-giving.
- Sexually oriented gestures, noises, remarks or jokes, or questions and comments about a person's sexuality, sexual experience, or romantic history which create a hostile work environment. This is not limited to interactions in person. Remarks made over virtual platforms and in messaging apps when employees are working remotely can create a similarly hostile work environment.

- Sex stereotyping, which occurs when someone's conduct or personality traits are judged based on other people's ideas or perceptions about how individuals of a particular sex should act or look:
 - Remarks regarding an employee's gender expression, such as wearing a garment typically associated with a different gender identity; or
 - Asking employees to take on traditionally gendered roles, such as asking a woman to serve meeting refreshments when it is not part of, or appropriate to, her job duties.
- Sexual or discriminatory displays or publications anywhere in the workplace, such as:
 - Displaying pictures, posters, calendars, graffiti, objects, promotional material, reading materials, or other materials that are sexually demeaning or pornographic. This includes such sexual displays on workplace computers or cell phones and sharing such displays while in the workplace;
 - This also extends to the virtual or remote workspace and can include having such materials visible in the background of one's home during a virtual meeting.
- Hostile actions taken against an individual because of that individual's sex, sexual orientation, gender identity, or gender expression, such as:
 - Interfering with, destroying, or damaging a person's workstation, tools or equipment, or otherwise interfering with the individual's ability to perform the job;
 - Sabotaging an individual's work;
 - Bullying, yelling, or name-calling;
 - Intentional misuse of an individual's preferred pronouns; or
 - Creating different expectations for individuals based on their perceived identities:
 - Dress codes that place more emphasis on women's attire;
 - Leaving parents/caregivers out of meetings.

Who Can be a Target of Sexual Harassment?

Sexual harassment can occur between any individuals, regardless of their sex or gender. Harassment does not have to be between members of the opposite sex or gender. New York Law protects all covered individuals described earlier in the policy. **Harassers can be anyone in the workplace.** A Department Head, supervisor, or a coworker can all be harassers. Anyone else in the workplace can also be harassers including an Elected Official, independent contractor, contract worker, vendor, client, customer, constituent, or visitor.

Sexual harassment does not happen in a vacuum and discrimination experienced by an employee can be impacted by biases and identities beyond an individual's gender. For example:

- Placing different demands or expectations on black women employees than white women employees can be both racial and gender discrimination;
- An individual's immigration status may lead to perceptions of vulnerability and increased concerns around illegal retaliation for reporting sexual harassment; or
- Past experiences as a survivor of domestic or sexual violence may lead an individual to feel re-traumatized by someone's behaviors in the workplace.

Individuals bring personal history with them to the workplace that might impact how they interact with certain behavior. It is especially important for all employees to be aware of how words or actions might impact someone with a different experience than their own in the interest of creating a safe and equitable workplace.

Where Can Sexual Harassment Occur?

Unlawful sexual harassment is not limited to the physical workplace itself. It can occur while employees are traveling for business or at employer or industry sponsored events or parties. Calls, texts, emails, and social media usage by employees or covered individuals can constitute unlawful workplace harassment, even if they occur away from the workplace premises, on personal devices, or during non-work hours.

Sexual harassment can occur when employees are working remotely from home as well. Any behaviors outlined above that leave an employee feeling uncomfortable, humiliated, or unable to meet their job requirements constitute harassment even if the employee or covered individual is at home when the harassment occurs. Harassment can happen on virtual meeting platforms, in messaging apps, and after working hours between personal cell phones.

Retaliation

Retaliation is unlawful and is any action by an employer or supervisor that punishes an individual upon learning of a harassment claim, that seeks to discourage a worker or covered individual from making a formal complaint or supporting a sexual harassment or discrimination claim, or that punishes those who have come forward. These actions need not be job-related or occur in the workplace to constitute unlawful retaliation. For example, threats of physical violence outside of work hours or disparaging someone on social media would be covered as retaliation under this policy.

Examples of retaliation may include, but are not limited to:

- Demotion, termination, denying accommodations, reduced hours, or the assignment of less desirable shifts;
- Publicly releasing personnel files;
- Refusing to provide a reference or providing an unwarranted negative reference;
- Labeling an employee as “difficult” and excluding them from projects to avoid “drama;”
- Undermining an individual’s immigration status; or
- Reducing work responsibilities, passing over for a promotion, or moving an individual’s desk to a less desirable office location.

Such retaliation is unlawful under federal, state, and (where applicable) local law. The New York State Human Rights Law protects any individual who has engaged in “protected activity.” Protected activity occurs when a person has:

- Made a complaint of sexual harassment or discrimination, either internally or with any government agency;
- Testified or assisted in a proceeding involving sexual harassment or discrimination under the Human Rights Law or any other anti-discrimination law;
- Opposed sexual harassment or discrimination by making a verbal or informal complaint to management, or by simply informing a Department Head or supervisor of suspected harassment;
- Reported that another employee has been sexually harassed or discriminated against; or
- Encouraged a fellow employee to report harassment.

Even if the alleged harassment does not turn out to rise to the level of a violation of law, the individual is protected from retaliation if the person had a good faith belief that the practices were unlawful. However, the retaliation provision is not intended to protect persons making intentionally false charges of harassment.

Reporting Sexual Harassment

Everyone must work toward preventing sexual harassment, but leadership matters. Supervisors and managers have a special responsibility to make sure employees feel safe at work and that workplaces are free from harassment and discrimination. Any employee or covered individual is encouraged to report harassing or discriminatory behavior to a supervisor, manager, or the Town Supervisor. Anyone who witnesses or becomes aware of potential instances of sexual harassment should report such behavior to a supervisor, manager or the Town Supervisor.

Reports of sexual harassment may be made verbally or in writing. A written complaint form is attached to this policy if an employee would like to use it, but the complaint form is not required. Employees who are reporting sexual harassment on behalf of other employees may use the complaint form and should note that it is on another employee's behalf. A verbal or otherwise written complaint (such as an email) on behalf of oneself or another employee is also acceptable.

Employees and covered individuals who believe they have been a target of sexual harassment may at any time seek assistance in additional available forums, as explained below in the section on Legal Protections.

Supervisory Responsibilities

Department Heads and supervisors have a responsibility to prevent sexual harassment and discrimination. All Department Heads and supervisors who receive a complaint or information about suspected sexual harassment, observe what may be sexually harassing or discriminatory behavior, or for any reason suspect that sexual harassment or discrimination is occurring, are required to report such suspected sexual harassment in accordance with the procedures above. Department Heads and supervisors should not be passive and wait for an employee to make a claim of harassment. If they observe such behavior, they must act.

Department Heads and supervisors can be disciplined if they engage in sexually harassing or discriminatory behavior themselves. Department Heads and supervisors can also be disciplined for failing to report suspected sexual harassment or allowing sexual harassment to continue after they know about it.

Department Heads and supervisors will also be subject to discipline for engaging in any retaliation.

While Department Heads and supervisors have a responsibility to report harassment and discrimination, they must be mindful of the impact that harassment and a subsequent investigation has on victims. Being identified as a possible victim of harassment and questioned about harassment and discrimination can be intimidating, uncomfortable and re-traumatizing for individuals. Department Heads and supervisors must accommodate the needs of individuals who have experienced harassment to ensure the workplace is safe, supportive, and free from retaliation for them before, during, and after any investigation.

Bystander Intervention

Any employee witnessing harassment as a bystander is encouraged to report it. A Department Head or supervisor that is a bystander to harassment is **required** to report it. There are five standard methods of bystander intervention that can be used when anyone witnesses harassment or discrimination and wants to help:

1. A bystander can interrupt the harassment by engaging with the individual being harassed and distracting them from the harassing behavior;
2. A bystander who feels unsafe interrupting on their own can ask a third party to help intervene in the harassment;
3. A bystander can record or take notes on the harassment incident to benefit a future investigation;
4. A bystander might check in with the person who has been harassed after the incident, see how they are feeling and let them know the behavior was not ok; and
5. If a bystander feels safe, they can confront the harassers and name the behavior as inappropriate. When confronting harassment, physically assaulting an individual is never an appropriate response.

Though not exhaustive, and dependent on the circumstances, the guidelines above can serve as a brief guide of how to react when witnessing harassment in the workplace. Any employee witnessing harassment as a bystander is encouraged to report it. A Department Head or supervisor that is a bystander to harassment is required to report it.

Complaints and Investigations of Sexual Harassment

All complaints or information about sexual harassment will be investigated, whether that information was reported in verbal or written form. An investigation of any complaint, information, or knowledge of suspected sexual harassment will be prompt, thorough, and started and completed as soon as possible. The investigation will be kept confidential to the extent possible. All individuals involved, including those making a harassment claim, witnesses, and alleged harassers deserve a fair and impartial investigation.

Any employee may be required to cooperate as needed in an investigation of suspected sexual harassment. The Town will take disciplinary action against anyone engaging in retaliation against employees who file complaints, support another's complaint, or participate in harassment investigations.

The Town recognizes that participating in a harassment investigation can be uncomfortable and has the potential to retraumatize an employee. Those receiving claims and leading investigations will handle complaints and questions with sensitivity toward those participating.

While the process may vary from case to case, investigations will generally be done in accordance with the following steps. Upon receipt of a complaint, the person(s) designated by the Town:

1. Will conduct a prompt review of the allegations, assess the appropriate scope of the investigation, and take any interim actions (for example, instructing the individual(s) about whom the complaint was made to refrain from communications with the individual(s) who reported the harassment), as appropriate. If the complaint is verbal, request that the individual completes the complaint form in writing. If the person reporting prefers not to fill out the form, a complaint form or equivalent documentation based on the verbal reporting will be prepared;

2. Will take steps to obtain, review, and preserve documents sufficient to assess the allegations, including documents, emails or phone records that may be relevant to the investigation and will consider and implement appropriate document request, review, and preservation measures, including for electronic communications;
3. Will seek to interview all parties involved, including any relevant witnesses;
4. Will create a written documentation of the investigation (such as a letter, memo or email), which contains the following:
 - a. A list of all documents reviewed, along with a detailed summary of relevant documents;
 - b. A list of names of those interviewed, along with a detailed summary of their statements;
 - c. A timeline of events;
 - d. A summary of any prior relevant incidents disclosed in the investigation, reported or unreported; and
 - e. The basis for the decision and final resolution of the complaint, together with any corrective action(s).
5. Will keep the written documentation and associated documents in a secure and confidential location;
6. Will promptly notify the individual(s) who reported the harassment and the individual(s) about whom the complaint was made that the investigation has been completed and implement any corrective actions identified in the written document; and
7. Will inform the individual(s) who reported of the right to file a complaint or charge externally as outlined in the next section.

Corrective Action and Discipline

Any employee who is found to have violated any aspect of this policy will be subject to corrective or disciplinary action, up to and including termination of employment, as provided by Town operating procedures, including Civil Service Law Section 75 or the disciplinary procedures contained in a collective bargaining agreement. Any Elected Official who violates this policy will be subject to remedial action as provided for and/or allowed under NYS Public Officers Law, as well as any other applicable statutes. Any vendor, supplier, visitor, customer, or other non-employee who violates this policy will be subject to remedial action, to the extent that the Town is empowered to take such action.

Legal Protections and External Remedies

Sexual harassment is not only prohibited by Town policy, but it is also prohibited by state, federal, and, where applicable, local law.

The internal process outlined in the policy above is one way for employees to report sexual harassment. Employees and covered individuals may also choose to pursue legal remedies with the following governmental entities. While a private attorney is not required to file a complaint with a governmental agency, an individual may also seek the legal advice of an attorney.

New York State Division of Human Rights

The New York State Human Rights Law (HRL), N.Y. Executive Law, art. 15, § 290 *et seq.*, applies to all employers in New York State and protects employees and covered individuals, regardless of immigration status. A complaint alleging violation of the Human Rights Law may be filed either with the New York State Division of Human Rights (DHR) or in New York State Supreme Court.

Complaints of sexual harassment filed with DHR may be submitted any time **within three years** of the harassment. If an individual does not file a complaint with DHR, they can bring a lawsuit directly in state court under the Human Rights Law, **within three years** of the alleged sexual harassment. An individual may not file with DHR if they have already filed a HRL complaint in state court.

Complaining internally to the Town does not extend the time to file with DHR or in court. The three years are counted from the date of the most recent incident of harassment. An individual does not need an attorney to file a complaint with DHR, and there is no cost to file with DHR.

DHR will investigate the complaint and determine whether there is probable cause to believe that sexual harassment has occurred. Probable cause cases receive a public hearing before an administrative law judge. If sexual harassment is found at the hearing, DHR has the power to award relief. Relief varies but it may include requiring the employer to take action to stop the harassment, or repair the damage caused by the harassment, including paying of monetary damages, punitive damages, attorney's fees, and civil fines.

DHR's main office contact information is: NYS Division of Human Rights, One Fordham Plaza, Fourth Floor, Bronx, New York 10458. Individuals may call (718) 741-8400 or visit: www.dhr.ny.gov.

Go to dhr.ny.gov/complaint for more information about filing a complaint with DHR. The website has a digital complaint process that can be completed on a computer or mobile device from start to finish. The website has a complaint form that can be downloaded, filled out, and mailed to DHR as well as a form that can be submitted online. The website also contains contact information for DHR's regional offices across New York State.

Call the DHR sexual harassment hotline at **(800) HARASS3** (800-427-2773) for more information about filing a sexual harassment complaint. This hotline can also provide a referral to a volunteer attorney experienced in sexual harassment matters who can provide limited free assistance and counsel over the phone.

The United States Equal Employment Opportunity Commission

The United States Equal Employment Opportunity Commission (EEOC) enforces federal anti-discrimination laws, including Title VII of the 1964 federal Civil Rights Act, 42 U.S.C. § 2000e *et seq.* An individual can file a complaint with the EEOC anytime within 300 days from the most recent incident of harassment. There is no cost to file a complaint with the EEOC. The EEOC will investigate the complaint and determine whether there is reasonable cause to believe that discrimination has occurred. If the EEOC determines that the law may have been violated, the EEOC will try to reach a voluntary settlement with the employer. If the EEOC cannot reach a settlement, the EEOC (or the Department of Justice in certain cases) will decide whether to file a lawsuit. The EEOC will issue a Notice of Right to Sue permitting workers to file a lawsuit in federal court if the EEOC closes the charge, is

unable to determine if federal employment discrimination laws may have been violated, or believes that unlawful discrimination occurred by does not file a lawsuit.

Individuals may obtain relief in mediation, settlement or conciliation. In addition, federal courts may award remedies if discrimination is found to have occurred. In general, private employers must have at least 15 employees to come within the jurisdiction of the EEOC.

An employee alleging discrimination at work can file a "Charge of Discrimination." The EEOC has district, area, and field offices where complaints can be filed. Contact the EEOC by calling 1-800-669-4000 (TTY: 1-800-669-6820), visiting their website at www.eeoc.gov or via email at info@eeoc.gov.

If an individual filed an administrative complaint with the New York State Division of Human Rights, DHR will automatically file the complaint with the EEOC to preserve the right to proceed in federal court.

Local Protections

Many localities enforce laws protecting individuals from sexual harassment and discrimination. An individual should contact the county, city or town in which they live to find out if such a law exists.

Contact the Local Police Department

If the harassment involves unwanted physical touching, coerced physical confinement, or coerced sex acts, the conduct may constitute a crime. Those wishing to pursue criminal charges are encouraged to contact their local police department.

Conclusion

The policy outlined above is aimed at providing employees at the Town of Clayton and covered individuals an understanding of their right to a discrimination and harassment free workplace. All employees should feel safe at work. Though the focus of this policy is on sexual harassment and gender discrimination, the New York State Human Rights law protects against discrimination in several protected classes including sex, sexual orientation, gender identity or expression, age, race, creed, color, national origin, military status, disability, pre-disposing genetic characteristics, familial status, marital status, criminal history, or domestic violence survivor status. The prevention policies outlined above should be considered applicable to all protected classes.

Prohibited Conduct – No employee shall use, sell, distribute, dispense, possess, or manufacture any alcoholic beverage, marijuana product, illegal drugs, or any other intoxicating substance, nor be under the influence of such, while on duty, at any job site or workplace, or in a Town vehicle, a vehicle leased for Town business, or a privately owned vehicle being used for Town business. An employee who, after investigation, is found to have violated this prohibition may be referred for counseling or rehabilitation and satisfactory treatment and will be subject to criminal, civil and disciplinary penalties, up to and including termination of employment. Any work-related accident or injury involving a Town vehicle, equipment, and/or property where it can be demonstrated that the use of alcohol, marijuana products, illegal drugs, or any other intoxicants may have been a contributing factor will result in disciplinary action which may include penalties up to and including termination of employment.

Use of Prescription and Over-the-Counter Drugs – Prescription drugs must be in the possession of the individual to whom the prescription was written, taken in the dosage prescribed, and maintained in their original containers. Employees in public safety or safety-sensitive positions must inform their supervisors of any prescription or legal, nonprescription (i.e., over-the-counter) drugs they are currently taking that could in any way affect or impair the employee's ability to perform the job safely. The legal use of prescribed and over-the-counter drugs is permitted on the job only if it does not impair an employee's ability to perform the job safely and if it does not affect the safety or well being of other individuals in the workplace.

Non-Discrimination Policy – The Town of Clayton will not discriminate against an applicant or employee because of past substance abuse provided it can be demonstrated that the applicant/employee has received appropriate treatment and tests negative for controlled substance use. It is the current use of alcohol and controlled substances that will not be tolerated in the workplace.

Employee Assistance – It is the policy of the Town to work with an employee suffering from substance abuse so that the employee will receive assistance necessary to overcome dependency. An employee seeking such assistance is encouraged to contact the employee’s Department Head to discuss the situation before problems begin to surface in the workplace. Any disclosures made by an employee will be treated as strictly confidential to the greatest extent practicable. The employee's decision to seek assistance will not be used as the basis for disciplinary action nor used against the employee in any disciplinary proceeding.

Employee Responsibilities – As a condition of the Town receiving Federal grant monies, each employee must abide by this policy and notify the employee's Department Head of any criminal drug statute conviction for a violation occurring in the workplace within five calendar days of the conviction.

Town Responsibilities – The Town will notify the granting federal agency within ten days after receiving notice from an employee of such a conviction or otherwise receiving actual notice of such conviction. In addition, within thirty calendar days of receiving notice of a conviction, the Town will take disciplinary action against the employee and/or require such employee to satisfactorily participate in a drug abuse assistance or rehabilitation program pursuant to Sections 702 and 703 of the Drug-Free Workplace Act.

Drug-Free Awareness Program – It is the policy of the Town of Clayton to maintain a drug-free workplace. In accordance with that policy, the Town is providing the following drug-free awareness information to raise employee awareness of the dangers associated with drug abuse in the workplace.

Dangers of Drug Abuse in the Workplace

Employees with chemical dependence problems have a major negative impact on productivity, staff morale, and labor/management relations. Their hidden illness is responsible for:

1. Declining Performance

- poor concentration
- confusion in following directions
- noticeable change in the quality of work
- inability to meet deadlines
- errors in judgment affecting the health and safety of others
- customer complaints and injuries

2. Increased Costs

- five times the average sick and accident benefits
- higher job turnover, replacement and training costs
- greater workers' compensation and health insurance payments
- 3 to 5 times more on-the-job accidents
- unemployment claims

3. Absenteeism and Tardiness

- double the normal rate
- repeatedly being late for work and often leaving early
- extended lunch hours
- frequent illness and accidents both on and off the job

4. Damaged Relationships

- emotional outbursts, over-reaction to criticism, mood swings, complaints from co-workers, associates and the public often leading to damaged relations

808 *Controlled Substance and Alcohol Testing*

Statement of Compliance – The Town Board has adopted a Controlled Substance and Alcohol Testing Policy that is in compliance with the "Omnibus Transportation Employee Testing Act of 1991" (OTETA). The purpose of this policy is to reduce accidents resulting from an employee's use of controlled substances and alcohol, thus reducing fatalities, injuries and property damage. A copy of the Town's Drug and Alcohol Testing Policy is attached to this Employee Handbook and can be viewed as Appendix I.

Covered Employees – The Town's Controlled Substance and Alcohol Testing Policy applies to all covered drivers as defined by the federal regulations, which includes all employees who drive commercial motor vehicles (as defined in Sec. 382.107 of the OTETA) requiring a commercial driver's license to operate.

Acknowledgment Form – A covered employee will receive a written copy of the Controlled Substance and Alcohol Testing Policy and must sign an Employee Acknowledgment Form. This form will be placed in the employee's personnel file.

809 *Town of Clayton Smoking Policy*

Policy Statement – Smoking is prohibited in all indoor places of employment of Town employees under the jurisdiction and control of the Town of Clayton. A "place of employment" means any indoor area or portion thereof under the control of an employer in which employees of the employer perform services but which is not generally accessible to the public. In our case, this includes the vehicles that we work out of. This would specifically be designated a "work area".

- Employees found violating this policy may be subject to the penalty prescribed by the New York State Commissioner of Health. The Enforcement Officer has the right to assess a penalty of up to \$1,000 for each violation.

810 Tobacco-Free Outdoors Policy

Rationale & Goal – Tobacco use is the leading cause of preventable death and disability in the United States. The U.S. Surgeon General has stated that there is no risk-free level of exposure to secondhand smoke; even brief exposure can be dangerous. The Environmental Protection Agency classifies secondhand smoke as a Class A carcinogen, the most dangerous category of cancer-causing agents.

The Town of Clayton desires to protect the health, comfort, and safe recreational outdoor environment for vendors and visitors. The goal of this tobacco-free policy is to create a healthy and respectful environment by reducing exposure to secondhand smoke, preventing environmental damage from tobacco-waste products, and promoting tobacco cessation.

Definitions:

“Tobacco products” includes cigarettes, pipes, cigars, spit tobacco, electronic cigarettes, hookah, and other products containing tobacco.

“Tobacco use” is the act of using any tobacco product in any company facility or outdoor area, including chewing tobacco, and the act of smoking or carrying a lighted cigar, cigarette, pipe or any other smoking material or device.

The Town of Clayton properties shall include all buildings (indoors and outdoors) and grounds of Town and parks including but not limited to pools, arenas, playgrounds, ball fields, tennis courts, and Town docks within the boundaries of the park and Town except in areas specifically designated for smoking and only so long as the area is kept free of smoking debris. Town property shall also include all public buildings (indoors and within 25ft of an entrance window or ventilation system) and Town owned vehicles.

Scope – The use of any Tobacco Product is prohibited on park property. This policy applies to all vendors, contractors and visitors.

Compliance – Adherence to the tobacco-free policy is the responsibility of all visitors. Those observing individuals violating this policy should courteously inform them of this policy and request their compliance.

811 Public Employer Health Emergency Plan

The plan that has been developed in accordance with NYS Labor Law §27-c, and adopted by Town Board resolution on December 9, 2020, can be accessed through the Finance/Human Resources page at www.townofclayton.com/hr.

900 SAFETY

901 *Workplace Safety*

Policy Statement – Prevention of injury and illness in the workplace requires the cooperation of all employees in all safety and health matters. It is the policy of the Town to reduce the number of workplace injuries and illnesses to an absolute minimum. Accidents can be prevented through use of reasonable precautions and the practice of safe working habits.

Employee Responsibility – In an effort to protect all employees and to safeguard equipment and property, before an employee begins a given task, it is the employee's responsibility to understand the correct operation and possible hazards involved, safety procedures, and necessary safety equipment required to perform the job.

Safety Program – The Town's safety program includes, but is not limited to, the following:

- Call the Department Head immediately;
- If the accident appears serious, call 911; and
- Take steps to prevent additional accidents.

Accident Reporting Procedures – In the event an accident occurs in the workplace or in the course of employment, the following procedures will apply:

- When an accident occurs which results either in the loss of an employee's work time, or in the provision of medical care to an employee, the employee must immediately notify the Department Head who will in turn notify the Town Supervisor's Office. The Town Supervisor's Office must complete an *Employer's Report of Injury Form (C-2)* and submit according to operating procedures.
- When an accident occurs which does not result in the loss of an employee's work time, or in the provision of medical care to the employee, the employee must immediately notify the Department Head who will in turn notify the Town Supervisor's Office. The Town Supervisor's Office will maintain appropriate documentation of the incident.
- The Town Supervisor's Office will keep a log of the injury or illness for five years following the end of the calendar year to which it relates. A copy of this log, which includes totals and information for the year, must be posted in each department or areas where notices to employees are customarily posted.

902 Hazard Communication Program

Statement of Compliance – The Town of Clayton is committed to providing a safe and healthy work environment and complies with all Federal, State and local laws regarding hazard recognition, accident prevention, and working conditions. The Town considers Hazard Communication and the prevention of workplace injuries and illnesses to be of prime importance.

Guidelines – The following guidelines for the identification of chemical hazards and the preparation and proper use of containers, labels, placards, and other types of warning devices must be adhered to:

- **Chemical Inventory** – The Town must maintain an inventory of all known chemicals in use. An employee may obtain the chemical inventory from the employee's supervisor or Department Head.
- **Container Labels** – All chemicals on a work-site must be stored in the original or approved containers with the proper label attached. The Department Head must ensure that each container is labeled with the identity of the hazardous chemical contained and any appropriate hazard warnings. The Town will rely on manufacturer applied labels whenever possible. A container that is not labeled or on which the manufacturer's label has been removed, must be properly labeled. A container not properly labeled must be given to the Department Head for labeling or proper disposal.
- **Dispensing Chemicals** – An employee may dispense chemicals from original containers only in small quantities intended for immediate use. Any chemical leftover must be returned to the original container or to the Department Head for proper handling. No unmarked containers of any size are to be left in the work area unattended.

Safety Data Sheets (SDS) – An employee working with a Hazardous Chemical shall obtain a copy of the Safety Data Sheet (SDS) and a standard chemical reference from the employee's Department Head.

Employee Training – An employee must be trained to work safely with hazardous chemicals. This training program must cover the following areas:

- Methods used to detect the release of hazardous chemicals in the workplace;
- Physical and health hazards of chemicals and the measures used to protect employees;
- Safe work practices;
- Emergency responses to the exposure of hazardous chemicals;
- Proper use of personal protective equipment; and
- Hazard Communication Standards, including labeling and warning systems, and an explanation of the use of Safety Data Sheets.

Personal Protective Equipment (PPE) – Depending on job duties, an employee must routinely wear protective devices, such as gloves and safety glasses, as directed by the supervisor. An employee who is required to wear special safety equipment as directed by the supervisor must comply with the supervisor's request.

Emergency Response – Any incident of overexposure or spill of a hazardous chemical/substance must immediately be reported to the employee's supervisor. The supervisor must insure that proper emergency response actions are taken.

Emergency Action Plans – Copies of the Town's Emergency Action Plans are contained in Appendix F of the Employee Handbook.

Hazards of Non-Routine Tasks – The Department Head must inform employees of any special tasks that may arise which would involve possible exposure to hazardous chemicals. Review of safe work procedures and use of required PPE must be conducted prior to the start of these tasks. Where necessary, areas will be posted to indicate the nature of the hazard involved.

1000 COMMUNICATION PROCEDURES

1001 Organizational Communications

Summary – The Town Board is committed to assuring effective communications between the Board and employees. The success of the organization is dependent upon a set of common interests and goals that are achieved through teamwork, sharing of ideas, and effective communications of our short-term and long-term plans. From time to time, information and updates will be distributed to employees. All employees are encouraged to discuss this information with their Department Head should there be any questions.

Methods of Communication – Information will be communicated to employees in a variety of ways, including general and departmental meetings, e-mail distributions, memos and other written correspondence, notices distributed with paychecks, and posting of information. Employees should check bulletin boards frequently to keep informed on changes in employment matters and other items of interest. Except as otherwise provided by a collective bargaining agreement, all material to be posted on bulletin boards, including memos and announcements, must have the prior approval of the appropriate Department Head.

Required Postings and Notifications – In accordance with Section 201 of the New York State Labor Law, digital versions of required federal and state postings that are required to be physically posted are also available on the Town's website.

1003 Suggestions

Policy Statement – Giving and receiving feedback is encouraged in order to promote a positive, productive, and cooperative atmosphere. Employees should notify their supervisor or Department Head of any suggestions which may be valuable to the Town's productivity and success. All suggestions will be carefully reviewed and may be implemented if feasible.

1004 Public Relations

Policy Statement – The courteous, professional treatment of members of the public by all employees helps to build confidence among the citizens we serve. We require all employees to make every effort to represent the Town in a polite and professional manner.

1005 Press Policy

Policy Statement – All requests for information directed to a Town employee from the media (e.g. television, radio, newspaper) regarding any aspect of Town affairs must be referred to the employee's Department Head. The Department Head should use cautionary judgment in responding and notify the Town Supervisor's Office of the request. If the request is concerned with something of a sensitive nature, the Town Supervisor or Town Attorney should be notified prior to the release of any statement or information. Department Heads may refer all such requests to the Town Supervisor's Office or the Town Attorney with notification to the Town Supervisor.

All press releases, publications, articles and any other documents for release to the media or the public must be approved in advance by Department Heads and copied in advance to the Town Supervisor's Office.

1006 Reporting of Improper Activities

Policy Statement – Any employee who witnesses or becomes aware of an inappropriate action, improper financial circumstance, inappropriate use of Town funds or property, safety issue, or other matter that appears to be improper, should immediately make his or her Department Head or supervisor, the Town Supervisor, or any Town Board member aware of the issue. When an imminent and serious danger to public health or safety exists, an employee may see fit to immediately report violations to law enforcement or other applicable governing body. Even if you are in doubt about what you witnessed or were made aware of you should report the matter.

Retaliation – Under Section 75-B of New York State Civil Service Law, New York State Public Sector Whistleblower Law, an employee, who in good faith, discloses to a governmental body information regarding a violation of law, a substantial and specific danger to the public health or safety, or an improper governmental action which the employee reasonably believes to be true, shall be protected from any adverse personnel action including, but not limited to: termination, disciplinary action, or changes in compensation. Any Town employee or officer who commits or condones any form of retaliation against anyone who in good faith reports alleged misconduct will be subject to discipline up to, and including, termination.

1100 DISPUTE RESOLUTION

1101 *Dispute Resolution Procedure*

Policy Statement – The Town Board has established a set of procedures to provide for the orderly resolution of differences at the earliest possible stage and to promote a harmonious and cooperative relationship between employees, Department Heads and members of the Town Board which will enhance the overall operation of the Town. The Town will attempt to resolve all work-related complaints that are appropriate for handling under this policy.

Definition of Dispute – For the purpose of this Employee Handbook, a “dispute” will mean a claimed violation, misinterpretation or inequitable application of any of the provisions of this Employee Handbook. In addition, the term “dispute” shall not apply to any matter as to which the Town is without authority to act. A few examples of matters that may be considered appropriate disputes under this policy include:

- A belief that Town policies, practices, rules, regulations, or procedures have been applied in a manner detrimental to an employee;
- Treatment considered unfair by an employee, such as coercion, reprisal, harassment, or intimidation;
- Alleged discrimination because of race, color, sex, age, religion, sexual orientation, national origin, marital status, disability; or any other protected class; and
- Improper or unfair administration of employee benefits or conditions of employment such as scheduling, vacations, fringe benefits, promotions, retirement, holidays, salary, or seniority.

Step One – An employee who claims to have a dispute may present the dispute to the employee’s Department Head. The dispute must be submitted, in writing, within seven working days following knowledge of the event(s) which caused the dispute or when the employee should have had knowledge. The dispute will specify the date of submission, the name of the aggrieved employee, the date the dispute arose, the nature of the dispute, the provision of the Employee Handbook that was allegedly violated and a statement of facts, times, dates, and the remedy sought.

Within seven working days after receiving the dispute, the employee’s Department Head will meet with the employee to discuss and attempt to resolve the matter.

Step Two – In the event the informal dispute is not resolved at Step One, or the employee reasonably believes that the employee cannot present the dispute to the employee’s Department Head, the employee may submit the matter to the Town Supervisor. The dispute must be submitted, in writing, within seven working days from receiving the Step One response, or when the response should have been received or if Step One is not utilized for the above reason, within seven working days following knowledge of the event(s) which caused the dispute or when the employee should have had knowledge.

Within seven working days after receiving the dispute, the Town Supervisor will meet with the employee to discuss and attempt to resolve the matter. Within seven working days from the meeting, the Town Supervisor will issue a written response.

Step Three – In the event the employee is not satisfied with the response at Step Two, the employee may submit the matter to the full Town Board by filing a Request for Hearing with the Town Clerk. The Request for Hearing must be submitted, in writing, within seven working days from receiving the Step Two response, or when the response should have been received. The Request for Hearing will include a written statement of the dispute as outlined in Step One of this Procedure.

The Town Board will set the time and place for the hearing. All decisions rendered by the Town Board will be final and binding.

Time Limits – The employee must adhere to the time limits set forth in this dispute procedure. In the event the employee does not advance the dispute to the next step within the established time limit, the dispute will be considered withdrawn and no further appeal will be accepted. The time limits may be extended by mutual agreement provided the extension is in writing, dated and signed by the employee and the person who is to receive the dispute.

Final Decisions – Final decisions on disputes will not be precedent-setting or binding on future disputes unless they are stated as official Town policy.

Proper Use of Dispute Resolution Procedure – Employees will not be penalized for proper use of the dispute resolution procedure. However, it is not considered proper use if an employee raises a dispute in bad faith or solely for the purposes of delay or harassment, or repeatedly raises meritless disputes. Implementation of the dispute procedure by an employee does not limit the right of the Town to proceed with any disciplinary action that is not in retaliation for the use of this procedure.

Refusal to Proceed with Dispute – The Town Board may, at its discretion, refuse to proceed with any dispute it determines is improper or baseless under this policy.

Union Employees – An employee who is a member of a collective bargaining unit should refer to the applicable collective bargaining agreement to determine if the employee's dispute (grievance) may be subject to the grievance procedure contained in the employee's collective bargaining agreement.

Appendix B: Code of Ethics

REPLACING THE FORMER CODE OF ETHICS, ORIGINALLY ADOPTED IN 1970 AND ANY AMENDMENTS THEREOF, FOR THE TOWN OF CLAYTON

BE IT RESOLVED by the Town Board of the Town of Clayton as follows:

Section 1. Title of Code.

This Code shall be entitled “A Code Replacing the Former Code of Ethics, Originally Adopted in 1970 and any Amendments Thereof, for the Town of Clayton.”

Section 2. Authorization.

This Code is enacted pursuant to section 806 of the General Municipal Law and section 10 of the Municipal Home Rule Law and is not intended to authorize any conduct prohibited by Article 18 of the General Municipal Law.

Section 3. Statement of Intent.

Officers and employees of the Town of Clayton hold their positions to serve and benefit the public, and not for obtaining unwarranted personal or private gain in the exercise and performance of their official powers and duties. The Town Board of the Town of Clayton recognizes that there are state statutory provisions mandating towns to establish rules and standards of ethical conduct for public offices and employees which, if observed, can enhance public confidence in local government. The purpose of this Code is to implement this objective through the establishment of clear and reasonable standards of ethical conduct for officers and employees of the Town, to afford officers and employees of the Town guidance on such standards, to provide for punishment of the violation of such standards, and to provide for the fair and effective administration of this Code.

Section 4. Repeal of Existing Town Ethics Laws.

The standards, prohibited acts and procedures established herein are in addition to any prohibited acts, conflicts of interest provisions or procedures prescribed by statute and case law relating to the conduct of town officers and employees. To the extent this Code includes prohibited acts, conflicts of interest provisions or procedures not included in Section 808 of the General Municipal Law, the provisions of this Code shall apply. This Code shall supersede any prior municipal code of ethics and all rules, regulations, policies and procedures of the Town of Clayton.

(g) "Recusal" shall mean that the official or employee may not deliberate, vote or participate in any way in that matter. The official or employee should disclose his or her conflict and remove him or herself from the board or committee. He or she should not provide input regarding the matter from the audience in his or her capacity as a member of the public.

(h) "Relative" shall mean a spouse, parent, step-parent, sibling, step-sibling, sibling's spouse, child, step-child, uncle, aunt, nephew, niece, first cousin, or household member of a municipal officer or employee, and individuals having any of these relationships to the spouse of the officer or employee.

WORKPLACE VIOLENCE PREVENTION PROGRAM AND POLICY

A. Introduction

Workplace violence presents a serious occupational safety hazard for workers. On June 7, 2006 New York State enacted legislation that requires public employers other than schools covered under a school safety plan, to perform a risk evaluation of its workplaces and develop and implement programs to prevent and minimize workplace assaults and homicides.

B. Purpose

The purpose of this Workplace Violence Prevention Program and Policy is to provide information to elected officials, board members, employees and volunteers about preventing and responding to incidents of workplace violence or threats of violence and the New York State Public Employer Workplace Violence Prevention Law.

The goals of the program are:

1. To reduce the probability of threats or acts of violence in the workplace, and
2. To ensure that any incident, complaint or report of violence is taken seriously and dealt with Appropriately

This policy outlines the major components of the effort to meet these goals: program, procedures, workplace security risk evaluation, prevention, training and other support services.

The Town of Clayton will not tolerate violence in the workplace. All incidents, complaints and/or reports of violence, threats of violence, harassment, intimidation and other disruptive behavior will be taken seriously because the Town is committed to providing its employees with a reasonably safe and secure work environment.

Violence in the workplace is a leading cause of fatal and non-fatal occupational injury throughout the U.S. that may affect an organization at any time. The purpose of this program is to address the issue of potential workplace violence, prevent workplace violence from occurring to the fullest extent possible and set forth procedures to be followed when such violence has occurred.

Violence, threats of violence, harassment, intimidation and other disruptive behavior in the workplace will not be tolerated by the Town. Examples of disruptive behavior can include oral or written statements, gestures or expressions that communicate a direct or indirect threat of harm. Such behavior will be taken seriously and will be dealt with appropriately.

All employees are required to comply with this policy. In addition, since visitors of Town owned properties and facilities are required to conduct themselves in a non-violent manner in conformity with existing law, employees who observe or experience visitors of Town owned property engaging in violent behavior should follow the procedures in this policy and handbook for the reporting of such behavior.

C. Application of this Program

Violence and other disruptive behavior by or against any employees of the Town or member of the public in a Town designated workplace are unacceptable. A Town designated workplace includes offices, work sites, vehicles, field locations and any other location where Town business is conducted. Individuals who commit such acts may be removed from the premises and may be subject to appropriate disciplinary action, including where legally appropriate, termination of employment and or criminal penalties.

D. Training

All Department Heads shall ensure that employees of their particular department are informed of the requirements of the law, the risk factors in their workplace and the location of the written workplace violence prevention program. Training is also required for employees on the measures employees can take to protect themselves from risks and the details of the written

workplace violence prevention program. Employee workplace violence training is to be provided at the time of job assignment and annually thereafter. In addition to the training required by law, the Town shall provide additional training on a per request basis to the Town departments and offices to address the potential for violence in the workplace.

E. Risk Evaluation

Certain factors or situations may place employees at a greater risk of workplace violence. It is the responsibility of the Town to conduct a risk evaluation of town owned, leased and operated facilities, review occupational injuries and review incident reports related to violence related injuries in the workplace. Workplace violence can occur in any workplace setting. However, some settings or factors may pose a greater degree of workplace violence risk. Employment situations or factors that may pose higher risks for Town employees include but are not limited to:

- Working in public settings;
- Working late night or early hours;
- Exchanging money with the public;
- Working alone or in small numbers;
- Working in a setting with uncontrolled access;
- Working in a setting where prior incidents have occurred;
- Working in a setting where previous security problems have occurred;
- Exposure to potentially violent persons; and
- Having a mobile workplace assignment.

F. Preventative Actions

The methods that the Town of Clayton will use to prevent incidents of occupational assaults and other forms of workplace violence include, but are not limited to the following:

- Making high-risk areas more visible to more people;
- Installing good external lighting;
- Using drop safes or other methods to minimize cash on hand;
- Posting signs stating that limited cash is on hand;
- Providing training in conflict resolution and nonviolent self-defense responses where requested;
- Establishing and implementing reporting systems for incidents of aggressive behavior.

Further, prevention is the responsibility of every employee. Department Heads as well as employees should be familiar with and knowledgeable of the issues listed below before violence occurs. As noted in this handbook, workplace violence is defined to include violence, threats of violence, harassment, intimidation and other disruptive behavior.

Past behavior has generally been the best predictor of future behavior. There is no specific profile of a potentially dangerous individual. Acts of also occur in the workplace due to issues of domestic violence. Certain patterns of behavior and events frequently precede episodes of violence. A list of indicators of increased risk of violent behavior may include, but are not limited to:

- Direct or veiled threats of harm;
- Intimidation, belligerence, bullying or other inappropriate behavior directed at others;
- Numerous conflicts with supervisors and employees, verbal comments indicating expressions
- of hostility directed at co-workers, supervisors or others;

- Bringing an unauthorized weapon to work, brandishing a weapon in the workplace;
- Fascination with incidents of workplace violence, statements indicating approval of the use of
- violence to resolve a problem or statements indicating identification with perpetrators or
- workplace homicides;
- Signs of alcohol/drug abuse on or off the job;
- Increased tone of desperation from a person, feelings that normal interventions will not solve a
- problem. Hopeless feelings about a work/family/financial situation;
- Employees with on-going domestic difficulties; and
- Situations involving orders of protection.

These behaviors should be reported to Department Heads and may require certain interventions including police intervention, disciplinary action or other forms of referral. Sometimes small behavioral problems which can precede the above behaviors are dismissed or ignored allowing problems to fester. In these cases the situation can become more intense. Early interventions may be appropriate in these situations. It is important to remember the employee must be treated with dignity, respect and fairness in this process. Some of these types of behavior are:

- Withdrawal from friends and co-workers;
- Reduced productivity;
- Unexplained and abused sick time or marked increase in tardiness; and
- Noticeable deterioration of personal hygiene and appearance.
-

Listed below are two categories of common issues that may trigger workplace violence.

1. Employee Issues
 - a. Negative performance review;
 - b. Unwelcome change in role due to performance or reorganization;
 - c. Criticism of performance;
 - d. Personal stress outside the workplace; and
 - e. Increased workload or pressure.

2. Workplace Issues
 - a. No clearly defined rules of conduct;
 - b. Lack of training;
 - c. Inadequate hiring practices/potential employee screening;
 - d. Insufficient supervision;
 - e. Lack of discipline/ Inconsistent discipline in the workplace;
 - f. Inadequate employee support systems;
 - g. Failure to address incidents as they occur; and
 - h. Overly authoritarian management style.

Taking these into account, there are three key elements that may help to prevent a violent situation from occurring:

1. Recognize early warning signs;
2. Recognize issues or events that may trigger violence; and
3. Early intervention to prevent violence before it occurs.

G. Reporting of Violence

At the core of the policy is the Town's commitment to work with its employees to maintain a

work environment free from violence and other disruptive behavior to the greatest degree possible.

Any Town employee, upon becoming aware of an instance of physical assault, threatening behavior or verbal abuse occurring in the workplace setting must immediately report the facts and circumstances of said incident to their Department Head. In the event that employees observe or experience violent behavior from Town employees or visitors of Town owned property in which there is an immediate threat to their safety or the safety of others or where an injury has occurred, the employee should immediately contact the police for assistance and in addition notify their Department Head.

Thereafter the Department Head will conduct a preliminary inquiry into the facts and circumstances of the incident and make prompt report to the Town Supervisor or designee. It will be determined if there is:

- a. An immediate threat of violence. If so, the police shall be called and they should ensure that emergency medical assistance is provided where necessary. Once there is no immediate threat, follow the procedures as indicated below.
- b. Serious misconduct or criminal behavior by a Town employee. If so, the Department Head is to be notified as well as the Town Supervisor or his designee.
- c. No immediate threat of violence and no serious misconduct or criminal behavior by a Town employee. In that event, the Department Head will continue the investigation, resolve /mediate the matter, initiate disciplinary action where appropriate and make a written report to the Town Supervisor.

NOTE: In all instances, a written summary report of the incident and all persons involved as well as any action taken will be prepared and submitted to the Town Supervisor.

Retaliation against any employee who makes a good faith report of violence or other disruptive behavior is strictly prohibited and shall be subject to appropriate corrective or disciplinary measures. AN employee who, in bad faith, makes a false report is also subject to disciplinary action as well as possible criminal penalties.

H. Response Procedures

The following procedures are recommended to be followed whenever an employee files a complaint alleging a violation of this policy has occurred or when a violent incident occurs. A threatening situation is a situation where one person, through intimidating words or gestures has induced fear and apprehension of physical or other harm in another person but there is no immediate danger of such harm being inflicted. The steps listed under the “Non-Emergency (threatening) Response Procedure” are recommended to be followed whenever a threatening situation occurs.

A situation is an “emergency” if an injury has occurred or there is an immediate threat of physical harm. Individuals should always consider their personal safety first in all emergency situations. If possible, the “Emergency Response Procedure” should be followed whenever an emergency occurs.
